

Cois Leasa agus Me go hUaigneach (air)

andante con moto

X:25

T:Cois Leasa agus Me go hUaigneach (air)

B:RC1.006

F:file ID roche.1/025cois

N:1:Only first part repeats.

N:2:The first part of the title ("cois leasa") doesn't make much sense in translation - "leas" can mean a few things ("benefit", "wisp of hay") which make no sense here. However if "leasa" is a misprint for "leaba" the title might mean "I'm Lonely Here Next to the Bed" (best I can do - sorry!)
